PROUDLY HOSTED BY:

Dear BANN colleagues - G'Day!

I would like to personally invite you to experience the World Federation of Neuroscience Nurses Quadrennial Congress in Darwin, Northern Territory, AUSTRALIA, **22—25 July, 2025**. Come 'Down Under' to the Northern Territory's capital city of Darwin. Fly from the UK into Darwin from Singapore or Hong Kong, or come via Sydney, Brisbane, Cairns or Melbourne. Don't wait – book flights and accommodation now, as they will fill up! Remember, the currency exchange rate is quite different – mostly in your favour! We know it's a long flight – we've done it many times, all you need to do is relax, sit back and enjoy 3 movies!

🌸 Abstracts are open until 18 January. Help shape the future of neuroscience nursing. Don't miss this incredible opportunity to contribute to our collective knowledge and advance our profession.

💡 This is your chance to showcase your research, share innovative practices, and connect with fellow neuroscience nursing professionals from around the globe. Whether you're a seasoned expert or an emerging voice in the field, we want to hear from you!
